

REMARKS

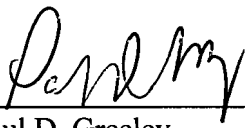

Claims 1 - 15 are pending in the present application. Reconsideration of the application is respectfully requested.

The Notice indicates that the Amendment of 11 APR 2007 is non-compliant because it does not include a complete listing of the claims with a proper status identifier for each of the claims. The Office Action is a *Quayle* action. Applicants understand that since the Amendment of 11 APR 2007 is a response to a *Quayle* action, for the present response, Applicants need only submit the corrected section of the Amendment of 11 APR 2007. Accordingly, the present response contains only the amendment to the claims. Applicants respectfully request that the Examiner please consider the Amendment of 11 APR 2007 and the present response, collectively, for Applicants' response to the Office Action.

Respectfully submitted,
